

Career Fair

Sanford High School is hosting its second annual Career Fair on Tuesday March 10th, 2015 from 8:00am-11:00am. The Career Fair is a way for our current high school students to become familiar with the career options before them, highlighting the options we have locally.

In order to make this happen, we need businesses to participate. Each business would have a table for students to visit and ask questions about your business and profession! We are asking each business to donate \$25.00 to The Project for Sophomore Awareness in order to secure a table at the event.

If you would like to help, but can't be present at the Career Fair, we are also seeking donations to raffle off to students who fully participate in the Career Fair or donations of snacks and drinks for business participants.

Every business or person who donates will receive recognition in a brochure that will be passed out prior to the event as well as recognition in the newspaper after the event.

For more information or to reserve a table at the Career Fair, please contact Kristin Trivilino at SanfordCareerFair@gmail.com or by calling 207-432-1055 by February 10th, 2015.
