

You are Invited to Our Culminating Event!

It's that time of the year again! LC 5 and LC 2 and the Sanford Farmers' Market are bringing an extreme food based learning event including, Solving World Hunger, Healthy Eating and Delicious Locally Grown and Prepared Food and much more!

LC 5's excursion is about hunger. You give a man a fish; you feed him for a day. You teach a man to fish; you feed him for a lifetime. That is a saying that is used often in our excursion. That saying is used because it explains that when you give food to someone, it feeds them once. When you teach them how to feed themselves they will never be hungry again. Each student has chosen a country to research and brainstorm designs to stop hunger insecurities.

LC 2's excursion is about making healthier choices. Students have researched food samples of healthier alternatives to unhealthy foods everyday

Please join us May 29th from 10-2 in the lower parking lot of Sanford Junior High!

We hope to see you there! Just stop on by!
